Dear Dr. Hashim:

Thank you for your recent letter in which you informed me of the CTR's decision to support our symposium on "Protein and Lipid Transport in Neural Cells," to be held in Philadelphia at the March, 1996 annual meeting of the Society of Neurochemistry. I understand that on behalf of CRT you have made a contribution of \$1,000 towards this endeavor. As requested, we will not use these funds to reimburse expenses incurred by participants from the industrial sector, and in fact, all of our speakers are from academic institutions.

I sincerely thank you for this generous contribution, one that will make it possible to provide the Society with an instructive and interesting symposium of high quality.
